## Ingredients:

### Each Capsule Contains:

• Laving	5mg
• Kapoor	5mg
• Ras sindur	10mg
• Abhrak Bhasma	10mg
• Loh Bhasma	10mg
• Suvarn Makkshik	10mg
• Bhasma Vidanga	10mg
• Shuddha vishtinduk	10mg
• Jaiphall	10mg
• Musi	25mg
• Guduchi	25mg
• Gokshura	25mg
• Salam mishri	25mg
• Amla	25mg
• Suddha Shilajit	50mg
• Ashwagandha	50mg
• Asan	50mg
• Kaucha	60mg

# Turns Semen Vital & Strong

## Regulates Semen Parameters

- Improves Sperm Count.
- Improves Sperm Motility & Morphology.
- Improves Semen volume & Male fertility.

- Protects From ROS Mediated Sperm Damage.
- Promotes Healthy Sperm Formulation.
- Improves fertility Rate.

## Provides Anti-Oxident Protection

## Improves DNA Fragmentation Index (DFI)

- Protects DNA Sperm From Free Radical Damage.
- Improves Conception Rate Even In Recurrent Miscarriages.
- Improves Sperm Viability.

- Provides Phytochemicals With Proerectile Aphrodisiac Action.
- Exerts Nervine Stimulating Action
- Improves Erection.

## Act As A Neuromuscular Toner

## Balances Testosterone Production

- Significantly Balanced Testosterone Production, Without Over Stimulating The Secretion.
- Restore Testosterone Receptor Sensitivity For Its Efficient Utilization.

- Modulates Stress In Infertile Men Under Psychological Influence.
- Promotes Physical & Mental Health Besides Improving Overall Male Sexual Health.

## Improves Psycho Sexual Endurance
